

Privacy Policy for CK Liška

Data collection

We use technologies like cookies (small files stored by your browser), web beacons, or unique device identifiers to anonymously identify your computer or device so we can deliver a better experience. Our systems also log information like your browser, operating system and IP address.

We also may collect personally identifiable information that you provide to us, such as your name, address, phone number or email address. With your permission, we may also access other personal information on your device, such as your phone book, calendar or messages, in order to provide services to you. If authorized by you, we may also access profile and other information from services like Facebook.

Our systems are not designed to associate personal information with your activities (such as pages you view or things you click on or search for).

We do not knowingly contact or collect personal information from children under 13. If you believe we have inadvertently collected such information, please contact us so we can promptly obtain parental consent or remove the information.

Location

We do not collect, use or share your precise geographic location.

Deletion

We may keep data indefinitely.

Sharing

We generally do not share personally identifiable information (such as name, address, email or phone) with other companies for marketing purposes.

We may, however, share your information with companies that are crucial for running our business, such as insurance companies for our trips.

Ad Tracking

We do not allow advertising companies to collect data through our service for ad targeting.

Contact

If you have any questions or concerns about our privacy policies, please contact us:

cestovka@liskapetr.cz

Petr Liška, Vlkova 7, Brno 628 00

Security

We take reasonable steps to secure your personally identifiable information against unauthorized access or disclosure. We encrypt transmission of data on pages where you provide payment information. However, no security or encryption method can be guaranteed to protect information from hackers or

human error.

Information we collect may be stored or processed on computers located in any country where we do business.

Policy Updates

This privacy policy was last updated on January 28, 2019. Our privacy policy may change from time to time. If we make any material changes to our policies, we will place a prominent notice on our website or application. If the change materially affects registered users, we will send a notice to you by email, push notification or text.ⁱ
